RULES AND PROGRAM INFORMATION

- 1. ACCESS RESTRICTION:** The Hogue Tract is closed to all public access — regardless of target species — from the opening day of deer season (October 3, 2026) through the closing day of spring gobbler season (May 15, 2027). During this period, access is limited to registered disabled hunters only. *Disabled* is defined as mobility impaired due to a permanent physical condition.
- 2. REGISTRATION REQUIRED:** All hunters wishing to use the Hogue Tract during the restricted access period must submit this application and indicate their program interest (see Preference Selection). Applications must be received by close of business on **September 12, 2026**.
- 3. LOTTERY PROGRAM:** Two disabled hunters are selected by random drawing for each available hunt day during the archery, muzzleloader, and firearms lottery periods. The lottery period closes exactly 14 days after the firearms season opener (November 14, 2026), ending on November 28, 2026. Dates are assigned informed by applicant preferences but are not guaranteed. Successful lottery applicants will be notified by mail and/or email and issued Hunting and Parking Permits for their assigned day(s).
- 4. OPEN ACCESS PROGRAM:** Applicants who register for open access will receive a gate code. Open access is available during the remainder of deer season following the lottery period (November 29, 2026 through January 2, 2027) and during spring gobbler season (April 10, 2027 through May 15, 2027). No separate permit or parking pass is required during open access periods.
- 5. COMPANIONS:** Each registered applicant may be accompanied by one companion, who may hunt if properly licensed. Any person aiding a hunter who holds a valid Virginia Resident Disabled Lifetime or Disabled Veteran Lifetime hunting license is not required to have a license. Retrieval and field dressing of harvested game must be accomplished by the hunter and/or companion.
- 6. HUNTING HOURS:** No check-in or check-out is required. Hunting hours are ½ hour before sunrise to ½ hour after sunset.
- 7. BAG LIMITS — DEER:** Either-sex deer may only be taken on designated Either-Sex days for C.F. Phelps WMA. The bag limit is one deer per day per hunter; the season bag limit is three deer per hunter. Bonus Deer Permits are not valid.
- 8. LEGAL WEAPONS:** Archery tackle during archery season; muzzleloaders during muzzleloader season; archery tackle, muzzleloader, rifle, pistol, or shotgun during general firearms season. Legal turkey hunting equipment during spring gobbler season.
- 9. STANDS:** Hunting from stands is encouraged but not required. The North stands are stands 1 & 2; South stands are stands 3 & 4.
